Welcoming	The Board

- We will be changing our pool maintenance company in October. Laurie Kinney is doing a great job of testing and maintaining the chlorine levels. Thank you to Laurie.

- The pool will close Oct. 1 and the spa will open the same day.

- The clubhouse HVAC units and pool chlorine systems will need repair or replacement at some point, possibly within a year or two. This cost will affect HOA dues.

- The caregivers support group has started. It meets the first Friday of each month at 10:30 am. Contact CJ at 805-822-7344 if you are interested.

- If you are planning to change anything significant to your house or property such as painting, cutting trees, etc. you will need to submit a review request. If you have any questions, contact a board member.

- There was a discussion about using online 'bill pay' to simplify and increase efficiency and cost effectiveness of banking/bill paying.

- Abiding the speed limit continues to be a problem primarily by a couple of habitual offenders. One is a green car and one a black car. Beware and be safe. Thank you to those of you who do obey the speed limit.

- The cracks in the entry gate have been repaired. Thank you Lee Jackson.

- New microphones have been purchased and they seem to work well. We have 30 days if we need to return them.

- The 2024-2025 budget has been signed and will be in the treasurer's report.

- Any other needed weed whacking should be done in October.

- Please call 911 for emergencies. Lift and Assist service can be called for falls.

- The pool gate was found unlocked recently. Please remember to lock the padlock on the wrought iron fence when leaving.
 - Testing of the back flow devices has been completed this week.
 - Please return your 55+ certificates if you haven't already.
 - Gate closure will change to 5 pm when daylight savings changes. There was a discussion about obtaining a reflective sign to post hours on the gate for delivery trucks.
- Recently, one delivery truck left 5 packages in front of the gate because the gate wasn't open. Fortunately, someone in the community picked them up and personally delivered them. THANK YOU!

Also, not from the board meeting, but as an FYI, the Subway down at the foot of the hill is closing permanently as of October 1st. 😞
