News around The Highlands

It was a pretty quiet month. Although there has been quite a bit of rain, some windy days/nights, so far no paralyzing snow.

Tuesday coffee will have 3 sessions for January, the 3rd, 17th, and 31st. So please sign up to be a host and join your neighbors to visit and say hi!

The Christmas get together for drinks, dessert and gift exchange was a success! More than 30 people attended. Thank you Linda and Roger for organizing and hosting.

As I said before, I never repeat myself.

A **SPIDER** asked the man who had trapped it in his bathroom, "Why are you terrified of me?"

"Well," the man replied, "the reasons I had have all been replaced by the fact that you can talk."

A **BANK ROBBER** pulls out a gun, points it at the teller and says, "Give me all the money or you're geography!"

The puzzled teller replies, "You mean history?"

"Don't change the subject!"

MY WIFE gets mad because I never shave on weekends. She says if I'm away and she gets lonely, she kisses a Brillo pad.

DON'T THINK OF ME as the boss. Think of me as a navigator on the sea of confusion.

A **BANK** is a place that will lend you money if you can prove that you don't need it.

THIS IS THE STORY of four people named Everybody, Somebody, Anybody and Nobody.

There was an important job to be done and Everybody was asked to do it.

Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job.

Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it.

Consequently, it wound up that Nobody told Anybody, so Everybody blamed Somebody.

Or do you really want ... candy?"

"From now on it's, 'Polly wants a low-sodium, low-carb cracker.'"

A **MAN** was watching TV and enjoying a beer.

"Don't go," he yelled at the screen. "Do not enter that building. Walk away. Argh, you stupid man!"

His wife called from the kitchen, "What on earth are you watching?"

"Our wedding video!"

A **GUY IN A TAXI** wanted to speak to the driver, so he leaned forward and tapped him on the shoulder. The driver screamed and yanked the wheel, jumping the curb and hitting a lamppost.

The startled passenger said, "I didn't mean to frighten you. I just wanted to ask you something."

The taxi driver replied, "It's not your fault, sir. It's my first day as a cab driver. I've been driving a hearse for 25 years."
